January 4, 2010

NMACTE, an affiliate of the Association of Career and Technical Education (ACTE) will be hosting their summer conference in Ruidoso, NM, June 7-9, 2010 at The Lodge at Sierra Blanca. Our goal is to provide professional development for teachers, counselors, and administrators both secondary and post-secondary throughout the state. We are expecting over 300 participants.

As a valued partner in education, we are extending you an invitation to be a part of this exciting opportunity to present your materials to our educational institutions throughout the conference.

The schedule has been established with registration on Monday evening, a full day conference on Tuesday, and the closing session on Wednesday morning. This compacted schedule will assure that you will be able to get the most out of your busy schedule. A block of time has been set aside for vendor presentations and table visitation on Tuesday morning; however, you will also have an exclusive opportunity to network with conference attendees throughout the day.

Set up time for the vendors will be all day on Monday, June 7th. Time will need to be set aside, however, for your participation in the golf tournament that afternoon! You are also invited to the opening reception / cookout Monday night as well, at the local, downtown Win-Place-Show establishment! You are welcome to stay as long as you wish but may begin your break down at the end of the day on Tuesday, June 8th.

If you are unable to exhibit and/or wish to also sponsor additional activities, we have opportunities to sponsor or co-sponsor speakers, breaks, meals and the reception.

The attached flyer lists the options in which your company can take advantage of these opportunities. Be sure to view our website at www.nmacte.com for agenda updates and other opportunities.

We look forward to visiting with you in person and expanding our partnership; please feel free to call me at anytime if I can be of any assistance!!!!

Sincerely,

Carol McAlister
Executive Director
