GENERAL SESSION SPEAKERS :

Dr. Bennie Lambert is passionate about education and serves as the Vice President for Student Development at Lone Star College-North Harris in Houston, Texas. For the past ten years, Bennie has traveled the country extensively, promoting education, excellence, and success through training and development programs. He has served a consultant for numerous colleges, universities, and businesses, including Chevron, Kellogg Brown and Root, Iowa Department of Corrections, the Houston Astros and the San Francisco 49ers to name a few. Bennie has also done stand-up comedy professionally for several years. His comedic talents have been showcased on Comedy Central.

Dr. Lowell Catlett is an exciting futurist and academician who is in demand by corporate and industry leaders to share his insights into how changes in economics, demographics and technologies converge to shape the way we will live and work in the future. He is a consultant to many Fortune 500 companies as well as the U.S. departments of Agriculture, Interior, Defense and Labor. He is as entertaining as he is thought provoking. His prowess as a teacher has led to numerous awards and we are truly blessed to be able to have him provide us with closing comments!
